

Kidd's Kids 2019

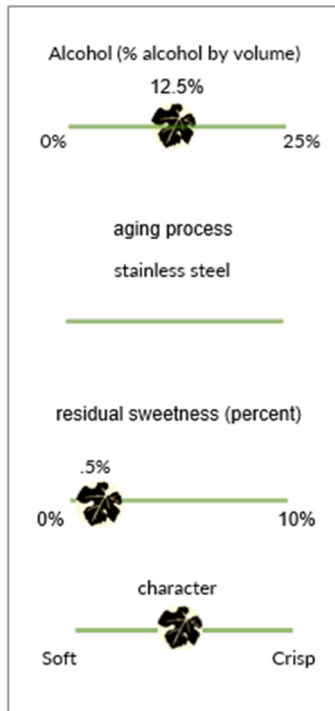

WINEMAKER NOTES

There are many reasons why a winemaker may choose to blend different grape varietals together. Sometimes the winemaker is looking for specific color, bouquet, or flavor that can only be achieved by blending. Other times it is just good fun to blend two or more wines together and see happens. In this blend we used Blanc du Bois and Viognier to achieve the perfect balance of aromas and flavors. For every bottle purchased \$5.00 will be donated to the Kidd's Kids foundation.

TASTING NOTES

With a color of light straw this blend starts off with a vibrant aroma of sweet flowers and melon. On the palate, melon gives way to more pear and crisp apple flavors. Tropical fruit flavors of star fruit green mango finish this wine off while bright acidity lingers, reminiscent of lemon zest.
