

Sauvignon Blanc 2019

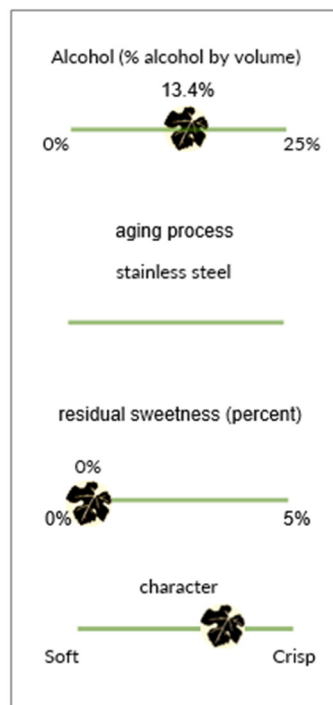

WINEMAKER NOTES

Sauvignon Blanc (so-vee-NYOHN BLAHNK) originates from the Bordeaux region in France. Many believe that the grape gets its name from the French words sauvage (wild) and blanc (white). It is widely planted throughout the world and known for being light and crisp with strong grassy and grapefruit notes. In the right terroir, it can express vibrant minerality. Some of the most notable Sauvignon Blanc wines come from France, Australia, New Zealand, California and Washington. Texas Sauvignon Blancs are becoming more and more popular, expressing less minerality and grass and more lemon and lime flavors.

TASTING NOTES

With a pale straw color, this Sauvignon Blanc has a bouquet of delicate wildflowers with a hint of lemon rind. Flavors of ripe lemon and key lime dance on the palate followed by young apricot with a lemon grass finish. The whole experience is crisp and bright, just like a Texas spring morning.
